The [Robotic Telescopes, Student Research and Education](#) conference affords Sponsors opportunities to promote their products and services to the attendees. Commercial firms have made major contributions to the advancements of our collective field and we are very pleased to have our commercial partners as an integral and vital part of our conference.

Sponsors are the only organizations permitted to sell or advertise their products or services at RTSRE. Non-profit and government organizations are permitted to provide brochures and fact sheets for their activities. Our current outline of sponsorship opportunities is outlined in this document. We are very open to creative suggestions and opportunities! Please contact us on info@rtsre.net if you have a suggestion or any questions.

EXHIBITS

The Exhibit Area will be a central mingling area for mealtimes, coffee breaks, posters and Sponsor exhibits. Coffee and refreshments will be served in the Exhibit Area at each 30-minute coffee break to encourage attendees to visit the posters and Sponsor tables and lunch will also be provided. Sponsors may display their products and advertising at one 6' table including wall space behind the table. Sponsors may also display one 3' X 4' poster on an easel adjacent to their table. Tables and chairs will be provided by the conference.
